Dr. Sandip Chatterjee Memorial

ANEICON QUIZ

NEURO PHYSICIAN

Supported by :

Dear Friends and Colleagues,

Greetings

The 37th Annual Conference of Neuroscientists of Eastern India **ANEICON 2024** will be held in Puri between 29th November- 1st December, 2024. In this highly dynamic era of medical science, exchange of ideas and experience can guide us to deal with the challenges in the clinical practice. We believe that up-coming residents doing Neuro-Physician need assorted opportunities to prove their talent through healthy competition.

The **ANEICON Quiz** is going to be one of the most exciting and thrilling quiz sessions of **ANEICON 2024** conference, will be held on 1st December 2024 (Sunday).

The residents will be exposed to rigorous screening processes including MCQs, difficult real life cases, historical events in Neurology, challenges in Neuroradiology rounds and much more...

The following steps to be noted for participation.

Step 1: Registration: Kindly click on link for registration (<https://torrentian.com/aneicon/>). It is mandatory to register for participation in the quiz which provides you with a unique passcode & Username. The registration deadline is **11:00 PM Thursday, 14th November 2024**

Step 2: Online Round: There will be an online screening round through Link Which will be will shared on register E-Mail id. The link will remain open from **9:00 AM, 15th November, Friday till 11:00 PM, 16th November, Saturday 2024**

Step 3: Toppers: Following the screening round, top 8 for Neuro-Physician speciality scorers from East Zone will be selected to participate in the final round of the quiz (total of 8 participants) and will be intimated about the same.

Step 4: Final Round: The final round of the ANEICON shall be held during the **ANEICON 2024** at Puri, India, on 1st December 2024. This will be held in two rounds.

The first round will select top 4 scoring Neuro-Physician Speciality students which will compete for the final round. We hope that students will be excited to participate in the quiz.

The round will comprise of wide range of clinical case scenarios, videos, interesting neurological and electro-physiological puzzles and many more.

We solicit an enthusiastic participation from your side.

Regards and best wishes,

Dr. Maya Gantayet
